WORKSHOP TO DEDICATE
NEW HELIPAD LANDING
AT LAKE PATROL BLDG

District Board members and staff welcomed visitors to join in the dedication of a newly built helipad located at the District's Lake Patrol building. The District's Field Operations Department recently poured a 20'x20' concrete pad with low voltage lighting and property markings to serve as an improved landing site to allow for landings in inclement weather.

APPROVED:

Bert Massey, President

Jimmy Jones, Secretary
